**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicant's representative, Steve Wrist, on 03/17/2006.

The application has been amended as follows:

In claim 1, line 27, "at the sixth step" has been deleted.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest a filtering method or apparatus for decoding a digital signal from a frequency domain to a time domain as recited in the claims including a step or outputting means for output for generating the digital signal in the time domain by folding back and expanding a part of the process result of each data block of the DCT-IV transformation process other than the part of the process result stored in the memory means and multiplying the expanded data by a predetermined window to generate a first process result, folding back and expanding a part of the data block that is stored in the memory and multiplying the expanded data by a predetermined window to generate a second process result, and adding the first and second process results as recited in claims 1 and 9.

Art Unit: 2193

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chuong D. Ngo whose telephone number is (571) 272-3731. The examiner can normally be reached on Tuesday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kakali Chaki can be reached on (571) 272-3719. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
